## **SCI MISSION STATEMENT**

To protect and preserve our hunting heritage through wildlife conservation, education, legislative and humanitarian efforts.

## **SCI HUNTERS CODE OF ETHICS**

Recognizing my responsibilities to wildlife, habitat and future generations I pledge:

To conduct myself in the field so as to make a positive contribution to wildlife and ecosystem.

To improve my skills as a woodsman and marksman to ensure humane harvesting of wildlife.

To comply with all game laws, in the spirit of Fair Chase, and to influence companions accordingly.

To accept my responsibility to provide all possible assistance to game law enforcement officers.

To waste no opportunity to teach young people the full meaning of this code of ethics.

To reflect in word and behavior only credit upon the fraternity of sportsmen, and to demonstrate abiding respect of game, habitat and property where I am privileged to hunt.

## **SCI OVERVIEW**

Founded in 1971 by C.J. McElroy, Safari Club International (SCI) soon evolved into a world-wide organization that promotes wildlife conservation and education, provides services for people in need, and functions as an advocate for hunters and hunting. Almost 53,000 members in 85 countries, and over 188 chapters in 22 countries empower SCI's mission around the globe. In 2000, SCI was reorganized into two separate entities. The Safari Club International Foundation was formed as a non-profit charitable organization under 501(c)(3) of the Internal Revenue Service (IRS) Code and Safari Club International was formed as a non-profit social advocacy organization under 501(c)(3) of the IRS Code.

In the past 12 years, the Central Missouri Chapter accomplished amazing things:

- SCI 2001 "Rookie" Chapter of the Year
- SCI 2002 "Top Gun" Chapter of the year
- Fulfilled wishes of 23 kids battling life-threatening illnesses with hunting and fishing trips
- Paid for one young man to attend a camp for kids with diabetes
- Conducted over 126 hunter safety classes
- Recognized in 2004 by the Missouri Senate
- Reached thousands of people on hunting rights, conservation, and SCI goals and objectives through the use of the Sensory Safari Trailer
- Hosted two bone marrow drives
- Provided 200,000 pounds of venison to various charities
- Conducted our first Inner City Youth Hunt
- Have had numerous newspaper articles and radio spots touting our accomplishments
- We have even been on national television!

This has all been made possible by the generous donations of various businesses, charitable organizations, outfitters, members of the Central Missouri Chapter and Foundation of SCI, and you. Thank you for attending this Auction and Banquet; it helps provide funding for all of the above.

## **CENTRAL MISSOURI CHAPTER COMMITTEES**

### **Central Missouri Chapter**

The Central Missouri Chapter of SCI was created in 1999 to promote, educate and conserve the traditions of hunting. The founding members believed in the ideals and ethics proposed by SCI and wanted to be a part of such a wonderful organization. There were 25 charter members who made this dream become a reality. The members decided they wanted to make a difference in the lives of Missourians and others around the United States. So, they took on four charitable projects: Safari Wish, Sensory Safari, Sportsmen Against Hunger, and Hunter Education.

Hunter Education classes are provided free of charge four times a year. Having safe and ethical hunters is the key to safeguarding our rights in the future.

Sensory Safari is a 19-foot, handicapped accessible trailer with over 50 mounts from throughout the world. The trailer has been to well over 500 different locations and has been toured by thousands of people. Our members have taken the trailer to the national FFA convention, Lewis and Clark Days, the Whiteman AFB Show, hunting/sporting events and many schools in past years. It is a big hit and in constant demand. To schedule the trailer for your event, contact John Davis.

Sportsmen Against Hunger is a program designed to help feed Missouri's needy. Hunters who wish to donate venison after a successful deer hunt can donate the meat to one of our participating processors, and the Chapter along with the Conservation Federation of Missouri picks up the tab for whole deer donations. In the past 10 years we have donated near 172,000 pounds of venison to charities in Mid-Missouri. If we could get Mid-Missouri hunters who do not donate whole deer to donate just FIVE pounds of venison each, we could raise many more pounds of food!

Safari Wish is designed to fulfill the wishes of kids battling life-threatening illnesses by taking them hunting and fishing. The taxidermy work is included. To see the smile on the kids faces and the joy of their parents is something to behold! We are looking for 2 or 3 kids to grant wishes to. If you know anyone, please contact Bill Moore.

## 6. Sniper Pro Signature Edition Digital Flash Scouting Camera

The STC-1850 Sniper Pro Signature Edition Digital Flash Scouting Camera is Stealth Cam's first 8MP resolution camera. With it you'll see detailed, ultra clear still images. Choose from 3 photo resolution settings including 1.3MP, 3MP, or 8MP to maximize file or storage settings and burst mode to shoot 1-9 images per triggering. The unit features programmable VGA color video for daytime viewing.

## 7. Moultrie ATV Spreader

This spreader is designed for planting and fertilizing food plots around your hunting property. The frame has a load capacity of up to 50 lbs. Built-in quick-release system for fast and easy detaching of spreader bucket. Convenient shut-off gate. Universal mounting brackets. Power is supplied through alligator clips to the battery.

## 8. Cabela's Commercial-Grade Electric Grinders

Make efficient and easy work of all your grinding with our premium grinders. We've improved our existing designs by adding stainless steel necks, screws, plates and blades. And just like the butcher shop's model, these are built to handle large quantities of meat for years to come. Heavy-duty air-cooled motors are housed in stainless steel and sit atop stainless steel bases for corrosion-free use and easy cleanup. Our motors include internal circuit breakers that are and independently tested to ensure their performance exceeds expectations for the highest quality and safety standards. Motors are permanently lubricated for trouble-free use. Oval meat trays eliminate hard-to-reach corners for trouble-free loading. The 1hp, 1-1/2hp and 1-3/4hp models have forward and reverse gears. The 1/2hp, 3/4hp, 1hp, and 1-1/2hp grinders include stainless steel fine (4.5mm) and medium (7mm) grinding plates. The 1-3/4hp grinder includes medium (7mm) and course (10mm) grinding plates. All include four sausage-stuffing funnels and a meat-pushing stomper. Necks, blades and grinding plates are dishwasher safe. All grinders are compatible with our optional grinder attachments.

## 11. Outdoor Cedar Bench

The natural beauty of hand-selected cedar is coupled with an artfully crafted, powder-coated, bronzed, iron-cast inset. It gives this fine outdoor furniture a distinctive and enduring charm. Cedar has a natural tendency to crack and split over time, making each piece unique, yet it will remain weather-resistant and structurally sound for years. The bench has contoured seating for an extra measure of comfort.

## 12. Primos® The Scout™ Chair Blinds

Set up this portable blind in seconds, sit back in the deluxe fold-up chair with backrest and hunt in secluded comfort. Spring steel design pops up the blind in a flash. Versatile Matrix® camo pattern on the durable polyester shell fabric blends in with hunting terrain. Phantom Pro® black liner keeps interior movements concealed. Open up the zippered entrance for easy access. Windows and large front-opening shoot-through mesh increase shooting visibility. Silent, quick-release interior windows on each side. Two interior gear pockets hold calls and extra shells. Carry case with attached backpack straps simplifies transport.

## 28. Fiesta Gas Grill

The Optima Cooking System (heat distribution plate) increases heating efficiency, protects the burner and reduces flare-ups. Spread out a family feast across the 445 sq. in. of cooking area with room to spare. The chrome-coated warming rack bumps the total cooking surface up to 645 sq. in. Durable and easy to clean, the porcelain-coated cast-iron cooking grids provide excellent heat retention, quickly searing food to lock in the juices and flavor. Drippings are instantly vaporized as they fall on the Flav-R-Guard™, infusing food with barbecue flavor. The unique shape reduces flare-ups. Electronic ignition system ensures fast, reliable lighting. Condiment bin for convenient storage. Accurate thermometer for precise temperature regulation. Porcelain enamel cookbox. Black porcelain hood. Powder-coated control panel, cart and side shelves.

## **29. Burris High Country Spotting Scope**

Burris has always believed a sportsman shouldn't have to spend a week's pay for reliable optics. And the same idea holds true on the new High Country Spotter. The 15-45x50mm and 20-60x60mm models have functional features like the protective rubberized coating and waterproof exterior as well sharp, fully multicoated lenses. The integrated lens cap on the sun shade keeps dust out and prevents you from losing it. Donated by Bill Moore Concrete, Fulton, MO Phone: (573) 642-0102

## **30. Kimber Model 84M Rifle Cal .308**

The Kimber Model 84M™ is the first ultra-lightweight production rifle that combines classic design, hand finishing and the advantages of a Mauser claw extractor for true controlled round feeding and extraction. Accuracy is ensured by the match grade barrel, chamber and trigger, along with pillar bedding on all models and glass bedding on rifles in big game calibers.

## **31. Whitetail Hunt in Northern Missouri**

100% Donation! Nathan Askew with Bullet Safaris is donating a 3 day unguided whitetail hunt in Northern Missouri in the Kirksville area. Pick your season, bow, gun, or muzzle loader. No lodging or meals provided. Contact Jim Lightsey at (314) 378-1996 or email: [jimlightsey@hughes.net](mailto:jimlightsey@hughes.net) for more information.

This is for 1 lifetime membership to  
Safari Club International.

## 33. Ameristep® Team Realtree® 17-1/2 ft. Kodiak Ladder Stand

Team Realtree put a lot of thought into this stand. They wanted to make sure the stand met the needs of even the most serious treestand hunter. First, it measures 17-1/2 ft. to the flip-up shooting rail, giving you an edge against your game. A padded seat cushion features a backrest for comfortable support, making all-day sits no problem. Extra-large platform. Flip-up footrest gives you a comfortable place to kick up your feet. Stand is tested to TMA standards. Includes a full-body safety harness with Suspension Relief System (SRS). All-steel construction.

## 34. STEALTH CAM STC-DVIR4 Sniper IR 5.0 Trail Camera

Stealth Cam recognizes that hunting season begins months before opening day arrives, so they field test under all weather conditions, every habitat scenario delivering you the most reliable scouting cameras on the market – including the industry's first High Definition Scouting IDVR (Infrared Digital Video Recorder). With cutting edge design, patented technology and toll-free field support, Stealth Cam continues to raise the bar in the game scouting arena.

### 35. Ruger LCP .380 Automatic

The LCP, which stands for Lightweight Compact Pistol, is a new type of auto pistol for Ruger. Sturm, Ruger, and Company was founded upon their excellent .22 Auto Pistol, and they have produced several other auto pistol designs since, but the new LCP is Ruger's first true pocket auto. Chambered for the .380 ACP cartridge, it is squarely aimed at the concealed carry market. Having a lightweight glass-filled nylon frame and a steel slide, the baby Ruger weighs in at just 9.42 ounces empty on my scale. The LCP is a very lightweight little pocket pistol.

### 36. Trophy Buck Metal Wall Art

Re-created from works of well-known artists, this wall art piece is crafted from cold-rolled steel made in the USA. The original artwork is transformed into a computer image that is then used to program a laser that cuts out the steel image with amazing precision. The acid finishing process results in a distinctive look unique to each piece; no two are exactly alike. The completed piece has integrated steel hang tabs to facilitate hanging inside or outside of your home or cabin. Made in USA.

### 37. Primos® Ground Max® The Eclipse™ Hunting Blind

Any hunter who seeks an easy-to-set-up, hub-style blind at an affordable price will put this blind at the top of his/her list. It offers a spacious 77"W x 67"H interior for you and all your hunting gear. The 600-denier polyester has a fade-free UV-coating and a water-resistant polyurethane coating to keep the interior dry under most weather conditions. Collapsible hub system allows the whole blind to be folded down and stored in the included backpack storage case. The Phantom Pro dark black coating provides a shadow-free blind interior. The 12 large view windows are covered with shoot-through mesh to give you multiple shot angles at game. One large roof opening.

### 38. Marlin XS7Y 243 Win

The XS7Y features include adjustable Pro-Fire trigger system, Soft-Tech recoil pad, fluted bolt for speed and smoothness, a pillar bedded black synthetic stock with raised cheek for accuracy and recessed “target style” muzzle crown. This is a Sports South Exclusive because of the one piece scope base and scope.

### 40. Cabela's Pivoting Shooting Bench

Rotate the seat and bench of this pivoting shooting platform a full 360° for an ultrastable shooting bench, despite rough terrain. Then lock the top in place with the swivel lock for steady, long-range shooting. The powder-coated steel frame provides corrosion-resistant endurance and has a weight rating of 300 lbs, while only weighing 43 lbs. for easy transport and setup. The 32" x 24-1/2" bench top is armored with Cordura® nylon and backed with rugged PVC for nonabrasive durability. The seat has 19" of adjustability up and down for custom seating. The foam-padded, 1"-thick seat cushion is 15"W x 10"D and covered with weather-resistant vinyl.

## 41. Taurus Judge

The “Taurus Judge® “ is so named because of the number of judges who carry it into the courtroom for their protection. Capable of chambering both .410 2-1/2” shotshell and .45 Colt Ammunition, this amazing combo gun is ideal for short distances - where most altercations occur, or longer distances with the .45 Colt ammo. We have finely tuned the rifling to spread the shot pattern at close quarters or to guide the .45 cal. bullet to the target. Fully customized with fixed rear sights, fiber optic front sights and Taurus Ribber Grips®, the “Taurus Judge” is one decision-maker that lays down the law.

## 42. Caldwell™ Lead Sled DFT®

The Lead Sled DFT took the original ground-breaking Lead Sled™ recoil reduction and improved it. Dual Frame Technology (DFT) and specially constructed front rest bag and foam-lined rear cradle solidly stabilize a rifle or shotgun to eliminate nearly all vibration and felt recoil. It adjusts 22” forward and back to fit most firearms. Rear elevation knob adjusts 2” to make target centering an easy one-handed operation. Baffled tray secures up to 100 lbs. of weight (four 25-lb. bags of lead shot) to tame the heaviest magnums. Nonskid rubber feet.

## 43. Dalsin Fire Ring with Base

Set this outdoor-themed portable fire stand on most surfaces, and you have a ready-to-use fire pit. It has a moose and pine tree decorative silhouette pattern, and the heavy-duty steel construction bolts together in minutes. The gray steel gradually changes into a rustic, oxidized finish. It is 27” in diameter with a bottom and three 7” legs. Weight: 42 pounds.
