SCI MISSION STATEMENT

To protect and preserve our hunting heritage through wildlife conservation, education, legislative and humanitarian efforts.

SCI HUNTERS CODE OF ETHICS

Recognizing my responsibilities to wildlife, habitat and future generations I pledge,

- To conduct myself in the field so as to make a positive contribution to wildlife and ecosystem.
- To improve my skills as a woodsman and marksman to ensure humane harvesting of wildlife.
- To comply with all game laws, in the spirit of Fair Chase, and to influence companions accordingly.
- To accept my responsibility to provide all possible assistance to game law enforcement officers.
- To waste no opportunity to teach young people the full meaning of this code of ethics.
- To reflect in word and behavior only credit upon the fraternity of sportsmen, and to demonstrate abiding respect of game, habitat and property where I am privileged to hunt.

SCI OVERVIEW

Founded in 1971 by C.J.McElroy, Safari Club International (SCI) soon evolved into a world-wide organization that promotes wildlife conservation and education, provides services for people in need, and functions as an advocate for hunters and hunting. Almost 53,000 members in 85 countries, and over 188 chapters in 22 countries empower SCI's mission around the globe. In 2000, SCI was reorganized into two separate corporations. The Safari Club International Foundation was formed as a non-profit charitable organization under 501(c)(3) of the Internal Revenue Service (IRS) Code and Safari Club International was formed as a non-profit social advocacy organization under 501(c)(3) of the IRS Code.

In the past 11 years, the Central Missouri Chapter accomplished amazing things:

- SCI 2001 "Rookie" Chapter of the Year
- SCI 2002 "Top Gun" Chapter of the year
- Fulfilled wishes of 23 kids battling life-threatening illnesses with hunting and fishing trips
- Paid for one young man to attend a camp for kids with diabetes
- Conducted over 123 hunter safety classes
- Recognized in 2004 by the Missouri Senate
- Reached thousands of people on hunting rights, conservation, and SCI goals and objectives through the use of the Sensory Safari Trailer
- Hosted two bone marrow drives
- Provided 172,000 pounds of venison to various charities
- Conducted our first Inner City Youth Hunt
- Have had numerous newspaper articles and radio spots touting our accomplishments
- We have even been on national television!

This has all been made possible by the generous donations of various businesses, charitable organizations, outfitters, members of the Central Missouri Chapter and Foundation of SCI, and you. Thank you for attending this Auction and Banquet; it helps provide funding for all of the above.

CENTRAL MISSOURI CHAPTER COMMITTEES

Central Missouri Chapter

The Central Missouri Chapter of SCI was created in 1999 to promote, educate and conserve the traditions of hunting. The founding members believed in the ideals and ethics proposed by SCI and wanted to be a part of such a wonderful organization. There were 25 charter members who made this dream become a reality. The members decided they wanted to make a difference in the lives of Missourians and others around the United States. So, they took on four charitable projects: Safari Wish, Sensory Safari, Sportsmen Against Hunger, and Hunter Education.

Hunter Education classes are provided free of charge four times a year. Having safe and ethical hunters is the key to safeguarding our rights in the future.

Sensory Safari is a 19-foot, handicapped accessible trailer with over 50 mounts from throughout the world. The trailer has been to well over 500 different locations and has been toured by thousands of people. Our members have taken the trailer to the national FFA convention, Lewis and Clark Days, the Whiteman AFB Show, hunting/sporting events and many schools in past years. It is a big hit and in constant demand. To schedule the trailer for your event, contact Glenn Danuser.

Sportsmen Against Hunger is a program designed to help feed Missouri's needy. Hunters who wish to donate venison after a successful deer hunt can donate the meat to one of our participating processors, and the Chapter along with the Conservation Federation of Missouri picks up the tab for whole deer donations. In the past 10 years we have donated near 172,000 pounds of venison to charities in Mid-Missouri. If we could get Mid-Missouri hunters who do not donate whole deer to donate just FIVE pounds of venison each, we could raise many more pounds of food!

(573) 636-4292

Safari Wish is designed to fulfill the wishes of kids battling life-threatening illnesses by taking them hunting and fishing. The taxidermy work is included. To see the smile on the kids faces and the joy of their parents is something to behold! We are looking for 2 or 3 kids to grant wishes to. If you know anyone, please contact Bill Moore.

1. Ham by Russellville Locker

100% Donation! The Russellville Locker has once again donated one of their delicious cured hams. They have been in business for 61 years at Russellville, MO and their cured meats have taken numerous county and State Fair awards over the years. The business has participated in the Chapter's Sportsmen Against Hunger program for the 11 years the chapter has existed and have participated in the State Share of the Harvest Program for 17 years, processing many thousands of pounds of venison annually for needy people in central Missouri. Phone (573) 782-4613

2. \$2,000 Gift Certificate from Whitetail Dreams towards 150-160 class and up Whitetail Hunt. Hunts starting at \$5,250.

This gift certificate is for a mature whitetail buck in the 150-160 class and up. Whitetail Dreams is a 1,000 acre ranch in the heart of central Missouri. The rolling hills and beautifully rugged terrain provide one of the most enjoyable and exciting high-fenced fair chase hunts offered in North America. Weapon can be a pistol, rifle, muzzleloader, or archery. Included in this hunt are 3 days of hunting, license, lodging, meals, guiding, skinning, quartering, and capping. The winning bidder may also bring a non-hunter at no charge to help them enjoy this hunt. Hunt can be taken from September 1, 2010 to January 15, 2011. Hunt must be scheduled during an open date. Most open dates are in September, December, and January. Additional hunters may be added at regular price and hunt can be upgraded to a larger buck. For more information visit them on the web at www.whitetaildreams.net or call Sam at (573) 590-1459. Value at \$5250.

3. Grand River Lodge John Parsons Signature Series Whitetail and Turkey Sculpture Lamps

Capturing the quick escape of a breathtaking whitetail buck and the wary strut of a splendid tom turkey, master sculptor John Parsons' amazing attention to realism is exemplified through perfect posturing and minute details. A weathered tree trunk supports the lamp fixture and shade. The base is beautifully veneered for a rich look. A lined faux-suede lamp shade emits a warm, inviting light. The shade is reinforced by a steel skeleton. Constructed of cast poly-resin and hand-painted with a bronzed patina. 3-way twist switch. Max 150 watts.

14. GlenDel™ Buck with encapsulated open-layered foam vitals

Get the shoot-it-every-day durability of an encapsulated, open-layered foam target and the true-to-life experience of a buck-shaped target. Its oversized, four-sided, 11”H x 11”W x 11”D PolyFusion™ vital core provides five times more surface area than the competition for high-volume target practice. Shoot it with field points or broadheads, including expandables – it relies on friction instead of force for stopping arrows and bolts at speeds of more than 300 fps. When one side of vital core is shot out, simply rotate a new side in for a fresh start. The buck is modeled after a 200-lb. whitetail standing 34” at the shoulder with a 150” Boone and Crockett rack. The rotating head removes for easy storage and transport.

16. Kid’s Chaise Lounge

You know how much it means to your kids to join you for a rewarding day hunting or fishing. So just think how they’ll enjoy settling in beside you in a chaise lounge. It’s made just like yours, with a tough hardwood frame and durable cotton twill fabric covering for kid-resistant wear. Cushions are filled with a fire-retardant polyfill for a little extra peace of mind, and a blown-fiber back ensuring your kids will stay comfortable while seated or napping. As a chair, the chaise lounge is great for sitting.

Or for extra sleeping space, it forms a 48” open bed when folded out.

28. Coleman Road Trip® LXE Grill

An open-flame grillin' machine with fully adjustable 20,000-BTU burners and large 285-square-inch cooking surface area. Lights without a match and provides consistent cooking performance, even in cold weather, high altitude and when fuel is low. Lasts up to one hour with both burners on high or 4-1/2 hours on low using one 16-1/2-oz. propane cylinder. Operates on 16-1/2-oz. propane cylinder (not included) or a standard 20-lb. propane tank (tank hose and tank required). Fold up the legs and handle for compact storage and easy wheeled transport. Built-in tool holders and side tables for convenience. Removable grease tray. Two grill grates included.

29. Burris Landmark Spotting Scope

If you're looking for a high-quality spotting scope with unbeatable image quality, this is the scope you've been shopping to find. The Landmark is compact enough to carry in your pack or duffel bag and lightweight enough for long trips over rough terrain. And, of course, it delivers bright, crisp glare-free, images. Multicoated optics minimize light loss.

30. Remington 300 Win Mag Model 770 with Bushnell 3x9x40 scope

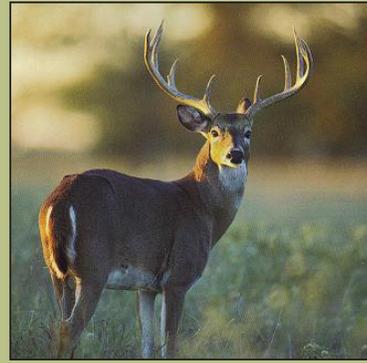

The Model 770 is the perfect choice for any hunter. It comes with a pre-mounted and boresighted 3x9x40mm riflescope. Other advancements include a new, ergonomically contoured stock with a raised cheekpiece for rapid scope to eye alignment, and grip

texture in all the right places. Offered in a selection of long and short action calibers, the Model 770 is the quickest route to legendary status, and a full freezer. Value \$700

33. Big Game Vertex Blind and Platform Combo

The versatility of this two-part combination kit greatly increases its hunting applications and sets it apart from other stands on the market. It includes a 7-ft. Booster™ elevated platform and a hunting blind that can be used atop the platform or as a stand-alone ground blind. The blind is 60" square and 61" tall with 12 large viewing windows and a big roof opening. An easy-to-use hub system makes for simple assembly, yet adds extra support for sturdiness. The fabric is 600-denier polyurethane-backed polyester with a Phantom Pro® black interior, and its Scent Elimination® coating conceals human scent. The Booster elevated steel platform is 48" x 48" accessed via a 20" x 20" flip-up trap door in the floor atop an included ladder with 9"-wide steps. A handrail on the ladder provides additional safety during entry and exit. The blind secures to the platform with four tie-down straps and four extension rods to withstand strong winds. Five ground stakes are also included for securing the setup to the ground.
