

CENTRAL MISSOURI CHAPTER SAFARI CLUB INTERNATIONAL

BOARD MEMBER ELECTION

There are four individuals running for our available board member positions. Below is a brief description of each candidate. If you have other candidates you wish to vote for in lieu of the names on the ballot, you may write in up to 3 names of your own choosing. Please do so on the bottom of the ballot. They must be current members of our organization. Please cast your vote on the enclosed card and return it to us before March 15th. We encourage everyone to return the postage-paid ballot.

Janette Vomund – Janette lives in Fulton and has been involved in financial organizations for 19 years. She began working at The Callaway Bank in 2000 and was promoted to Facility Manager at the South Bank in 2001. She graduated from William Woods University in 2001. Janette has been a member of the Central Missouri Chapter of SCI since its beginning and has served as cashier for all the Chapter's banquets and auctions. She enjoys deer hunting and being in the outdoors.

Bill Moore – Bill is an avid hunter who has not only hunted locally and in other states, but he has also been to Africa five times and Argentina once. He is one of the 27 original Central Missouri Chapter charter members and has served as treasurer and vice president. Bill is now the Safari Wish program manager and is a Life Member of SCI. He enjoys everything about our club and helping make a difference in our community.

Joel LeMaster – Joel is a life member of the Conservation Federation of Missouri and a member of their board of directors. He is very active in our Sportsmen Against Hunger program. Joel has helped haul more deer meat from processors to charities than any other chapter member the past four years.

BYLAWS

A committee was appointed to review our bylaws. The committee met and made recommendations to the board and the resulting document is enclosed in this mailing. Please review the bylaws (all additions are in bold print and all deletions are noted by strikethrough) and if you have any changes/additions/deletions/recommendations, please send your comments to: CMCSCI, P.O. Box 105823, Jefferson City, MO 65110. Comments must be received within 60 days.

LIFE MEMBERSHIP

Don't forget we now are offering life memberships to our chapter! This should make it easier for our members because they won't have to keep track of the annual dues. In addition, it is cheaper in the long run. For \$50.00 you will be a member for life! Of course, you have to be a member of SCI and will have to keep current with them, to be a member with us. You can contact any board member to become a life member or mail a check to: CMCSCI, P.O. Box 105823, Jefferson City, MO 65110.
