To protect and preserve our hunting heritage through wildlife conservation, education, legislative and humanitarian efforts.

## **SCI HUNTERS CODE OF ETHICS**

Recognizing my responsibilities to wildlife, habitat and future generations I pledge: To conduct myself in the field so as to make a positive contribution to wildlife and ecosystem. To improve my skills as a woodsman and marksman to ensure humane harvesting of wildlife. To comply with all game laws, in the spirit of Fair Chase, and to influence companions accordingly. To accept my responsibility to provide all possible assistance to game law enforcement officers. To waste no opportunity to teach young people the full meaning of the code of ethics. To reflect in word and behavior only credit upon the fraternity of sportsmen, and to demonstrate abiding respect of game, habitat and property where I am privileged to hunt.

## **SCI OVERVIEW**

Founded in 1971 by C.J. McElroy, Safari Club International (SCI) soon evolved into a world-wide organization that promotes wildlife conservation and education, provides services for people in need, and functions as an advocate for hunters and hunting. Almost 53,000 members in 85 countries and over 188 chapters in 22 countries empower SCI's mission around the globe. In 2000, SCI was reorganized into two separate entities. The Safari Club International Foundation was formed as a non-profit charitable organization under 501(c)(3) of the Internal Revenue Service (IRS) Code and Safari Club International was formed as a non-profit social advocacy organization under 501(c)(3) of the IRS Code. In the past 16 years, the Central Missouri Chapter accomplished amazing things:

- ~ SCI 2001 "Rookie" Chapter of the year
- ~ SCI 2002 "Top Gun" Chapter of the year
- ~ Fulfilled wishes of 24 kids battling life-threatening illnesses with hunting fishing trips
- ~ Paid for one young man to attend a camp for kids with diabetes
- ~ Conducted over 126 hunter safety classes
- ~ Recognized in 2004 by the Missouri Senate
- ~ Reached thousands of people on hunting rights, conservation, and SCI goals and objectives through the use of the use of the Sensory Safari Trailer
- ~ Hosted two bone marrow drives
- ~ Provided 308,000 pounds of venison to various charities
- ~ Conducted our first Inner City Youth Hunt
- ~ Have had numerous newspaper articles and radio spots touting our accomplishments
- ~ We have even been on national television!

This has all been made possible by the generous donations of various businesses charitable organizations, outfitters, member of the Central Missouri Chapter of SCI, and you.

Thank you for attending this Auction and Banquet; it helps provide funding for all the above.

## **CENTRAL MISSOURI CHAPTER COMMITTEES**

The Central Missouri Chapter of SCI was created in 1999 to promote, educate and conserve the traditions of hunting. The founding members believed in the ideals and ethics proposed by SCI and wanted to be a part of such a wonderful organization. There were 25 chapter members who made this dream become a reality. The members decided they wanted to make a difference in the lives of Missourians and others around the United States. So, they took on four charitable projects: Safari Wish, Sensory Safari, Sportsmen Against Hunger, and Hunter Education. Safari Wish is designed to fulfill the wishes of kids battling life-threatening illnesses by taking them hunting or fishing. The taxidermy work is included. To see the smile on the kids faces and the joy of their parents is something to behold! We are looking for 2 or 3 kids to grant wishes to. If you know anyone, please contact Walter Coleman.

The trailer has been to well over 500 different locations and has been toured by thousand of people. Our members have taken the trailer to the National FFA Convention, Lewis and Clark Days, the Whiteman AFB Show, hunting/ sporting events and many schools in past years. It is a big hit and in constant demand. To schedule the trailer for your event, contact Glenn Danuser.

Sportsmen Against Hunger is a program designed to help feed Missouri's needy. Hunters who wish to donate venison after a successful deer hunt can donate the meat to one of our participating processors, and the Chapter along with the past 16 years we have donated 308,000 pounds of venison to charities in Mid-Missouri. If we could get Mid-Missouri hunters who do not donate whole deer to donate just FIVE pounds of venison each, we could raise many more pounds of food!
