Safari Club International (SCI)

is a world-wide organization that promotes wildlife conservation and education, provides services for people in need, and functions as an advocate for hunters and hunting. SCI's Mission Statement is: To protect and preserve our hunting heritage through wildlife conservation, education, legislative and humanitarian efforts.

Our local Central Missouri Chapter of SCI

was created in 1999 to promote, educate and conserve the traditions of hunting. The founding members believed in the ideals and ethics proposed by SCI and wanted to be a part of this wonderful organization. There were 25 chapter members who made this dream become a reality. The members wanted to make a difference in the lives of Missourians and others around the United States. So, they took on four charitable projects: Safari Wish, Sensory Safari, Sportsman Against Hunger, and Hunter Education. These programs have had a huge impact on the people we serve. In addition to our main goals, we also have provided funding for one young man to attend a camp for children with diabetes, conducted many hunter safety classes, reached thousands of people regarding hunting rights, conservation, and SCI goals and objectives through the use of the Sensory Safari Trailer, hosted bone marrow drives, and received recognition from the Missouri Senate, local newspapers, radio stations and even national television!

Sportsmen Against Hunger

is a program to help feed Missouri's needy. Hunters who wish to donate venison after a successful deer hunt can donate from one pound to a whole deer at one of our participating processors, and the Chapter along with the Conservation Federation of Missouri pays the processing cost and distribution for whole deer donations. During the past 24 years we have donated 426,159 pounds of venison to charities in central Missouri. This program is part of the statewide program known as Share the Harvest. Sportsmen Against Hunger Coordinator is Mike Nolting at nolting@cmcsci.com, (573) 645-1705.

Safari Wish

Is designed to fulfill the wishes of kids battling life-threatening illnesses by taking them hunting and fishing. The taxidermy work is included. To see the smile on the kids faces and the joy of their parents is something to behold! We have taken several kids on a Safari Wish and we are looking for 2 or 3 more to grant wishes to in the next year. If you know anyone, please contact Safari Wish Coordinator: Walter Coleman at safariwish@cmcsci.com, (573) 220-1758.

Safari Wish Hunt

Our chapter granted a Safari Wish to Hunter Simmons on January 29 and 30, 2023. He is 11 years old and has been battling leukemia for over a year. Hunter loves the outdoors and wanted the chance to shoot a Hawaiian Ram. Thanks to our chapter and Sam James and Dan Robinson from Foggy Bottom Whitetail Ranch, Hunter's dream came true! The first day he was so excited he missed his shot, but the next day he took down a beautiful ram and he was thrilled. His parents Brad and Michelle Simmons and his younger brother, Klayton, were there to help him celebrate. After field dressing the ram, the Simmons family was given the meat to take home. Our Chapter delivered the head to Backwoods Taxidermy in Montgomery City where Gary Vohsen donated his labor to taxidermy the shoulder mount. Hunter used a Savage 6.5 Creedmoor for his hunt and he was begging his parents to buy him one just like it. Little did Hunter and his family realize that after the hunt was over, the rifle would be given to Hunter. You can see the joy on his face when he was told the gun was his to keep. We received a very nice thank you note from Hunter's family which said, "Thank you for helping provide an incredible weekend for our family. The hospitality shown by you is unmatched. During our dark time you helped put a smile on our family's faces and gave us memories to last a lifetime. We will always be grateful for you." It is impossible to describe the difference a hunt like this makes to a boy fighting leukemia and to his family who will cherish the memories forever. This is why our chapter works tirelessly to make wishes come true!

Thank You!

This has all been made possible by the generous donations of various business, charitable organizations, outfitters, members of the Central Missouri Chapter of SCI, and all our supporters. Thank you for attending our auction and banquet; it helps provide funding for all our programs so we can continue to make a difference in the lives of people in our local community!

2. “The Reckoning”

Brian Jarvi's career has spanned more than a quarter century and he has received numerous honors and awards in that time, including twice being named Safari Club International's Artist of the Year, and more recently receiving the prestigious "Award of Excellence" for the second time. His work has raised millions of dollars for numerous conservation organizations, and his concerns run deep for the future of the natural world. His passion for the flora and fauna of Africa has beckoned him on over 13 safaris and consequently the wildlife of the Dark Continent has gradually come to dominate his works. The universal appeal of the great iconic species he paints has created a broad international audience for his work, and he is now considered one of the World's premiere painters of Africa's Wilds. 7. North Dakota Trophy Northern Pike ice fishing trip, Lake Sakakawea

Wayne Tuttle has been a longtime supporter of our Safari Wish program. He is donating a 3-day trophy Northern Pike ice fishing trip for mutually agreeable dates in March/April 2024. Optional 4th day if weather impedes fishing. This is the time of year the big boys come into shallow waters to feed. Normally, the outside temperature will range from 40-50 degrees and the ice around 30” thick. You will be able to sit in your vehicle on shore and wait for the flag to pop up. Then, you get to try and haul the pike through the hole. Included: bait, tackle, hole’s bored, meals and lodging at their home is offered and assistance with either Wayne or his son Tanner. Both are excellent fishermen and spend months in the summer and winter on the water and ice. Not included: transportation to/from North Dakota and North Dakota fishing license. This is North Dakota. Please bring clothing that will keep you warm (dress in layers) and waterproof boots. Wayne Tuttle, (701) 240-6667, email: wltuttle@srt.com. 100% donation
